Tips for Packing Like a Pro

- 1. Develop a master "to do" list so you won't forget something critical.
- 2. Sort and get rid of things you no longer want or need. Have a garage sale, donate to a charity, or recycle.
- 3. Don't throw out everything. If your inclination is to just toss it, ask yourself how frequently you use an item and how you'd feel if you no longer had it.
- 4. Pack like items together. Put toys with toys, kitchen utensils with kitchen utensils.
- 5. Decide what if anything you plan to move yourself. Precious items, such as family photos, valuable breakables, or must-haves during the move, should probably stay with you.
- 6. Use the right box for the item. Loose items encourage breakage.
- 7. Put heavy items in small boxes so they're easier to lift. Keep weight under 50 lbs. if possible.
- 8. Don't over-pack boxes and increase the chances they will break.
- 9. Wrap every fragile item separately and pad bottom and sides of boxes.
- 10. Label every box on all sides. You never know how they'll be stacked and you don't want to have to move other boxes aside to find out what's there.
- 11. Use color-coded labels to indicate which room each item should go in. Color-code a floor plan for your new house to help movers.
- 12. Keep your moving documents together, including phone numbers, driver's name, and van number. Also keep your address book handy.
- 13. Back up your computer files before moving your computer.
- 14. Inspect each box and all furniture for damage as soon as it arrives.
- 15. Remember, most movers won't take plants.
